

IPC-A-610H: Acceptability of Electronic Assemblies Training Certificate

On December 23-25, 2021, IPC-A-610H (acceptability of electronic assemblies) training was organized for:

GlobTek (Suzhou) Co. Ltd.
#76 Jinling E. Rd., WeiTing,
Suzhou Industrial Park
Jiangsu Province, China

Eight trainees from the company participated in this training and passed the examination to obtain the IPC-A-610H training certificate (Class I, II, and III).

Items covered include lead-free soldering, component polarity & through-hole soldering, surface-mount & discrete wire assemblies, mechanical assembly, cleaning, marking, coating, and laminate requirements.

Hereby to certify.

Shanghai YMC Consulting Co., Ltd.
